## CHASE AWAY K9 CANCER

[chaseawayk9cancer.org](http://chaseawayk9cancer.org)

STEPHIE HUNECKER

### Do a check once a month to Chase Away K9 Cancer

**Take 10 Minutes on the 14th**  
of each month to feel and look for lumps,  
bumps, and swellings

**Check your dog from head**  
to toe, including the inside of their mouth

**Follow up with an exam**  
by your vet if you find anything suspicious  
or worrisome

**Keep a record of any growths**  
so you can keep track of anything new

**Watch for any unusual behavior**  
or change in attitude or appetite
